

CHARITY GOLF DAY

At the Townsville Golf Club, we realise how difficult it is trying to raise much needed funds for your charity.

One of the best ways to raise funds is to stage a Charity Golf Day.

Our team of professionals will work closely with you to determine your goals for the event and then tailor a day to suit.

Our aim is to assist you to have a "feel good" event because in the case of charities, the more enjoyable the day, the more likely participants are to donate generously.

If you decide you would prefer to run your own day, that is OK by us. But we have listed below the services we can provide should you wish to utilise them.

- Preparing starter's sheet and score cards, personalised with your logo and perhaps that of your major sponsors
- Starting the field
- Preparing a winners' presentation table with winners' cards
- Preparing a registration table, with name tags and any hand out material you may wish to distribute
- Organising catering (either on arrival, on-course, or at the conclusion of the day's play)
- Organising on-course and clubhouse refreshments
- Arranging motorised carts (please note the club at this time has 18 motorised carts)
- A golf professional on hand to help players with last minute swing tips
- Group photographs
- Receiving and checking scorecards
- Preparing a run sheet to assist your Master of Ceremonies
- Assisting with the presentation of prizes
- An on-site representatives to meet and greet your clients, conduct registrations and ensuring your requirements will be met throughout the day
